Dear Mr. Kidd 

Congratulations on the Lance P. Sijan Chapter being selected to receive the Donald W. Steele Memorial Award as best chapter in the Air Force Association.

The Air Force Association, especially the Sijan Chapter, is a tremendous supporter of our Airmen and their families. The Schriever Memorial Essay Contest is just one in a long list of your successful endeavors that I hope to see continue.

I thank you and every member of the chapter, especially the volunteers who make up your leadership team. Well done!

Sincerely

JOHN E. HYTEN
