Started in 2000, IMAGE provides the opportunity for military and industry to have some fun and play a round of golf for a great cause. Rocky Mountain Chapters of the Air Force Association (AFA), National Defense Industrial Association (NDIA) and the Armed Forces Communications Electronics Association (AFCEA) all work together to raise money for science, technology, engineering, and math (STEM) scholarships and related activities. Each year, we collectively award over \$60k to deserving students and STEM activities, with IMAGE providing a substantial portion of those funds. IMAGE is a premier networking event within the defense marketplace in the Springs. Come out and enjoy a round of golf, meet counterparts from industry and military, and gain a better understanding of issues and opportunities facing our community.

We look forward to seeing you on the course and at our lunch following golf. We sincerely appreciate your charitable support to our STEM event.

Very respectfully,
Andy Heo, IMAGE 2018 Chairman
