

Securing Space:

Threats, Strategic Roles, and Building Resilience

August 6 | 5:00-7:30 pm | Colorado Springs, CO

Top Space Leaders to Discuss Space Threats And Operational Readiness

[Register Now!](#)

Join INSA in Colorado Springs on Wednesday, August 6, from 5:00-7:30 pm for our **GRATIS Securing Space: Threats, Strategic Roles, and Building Resilience** unclassified program.

The program will start with a networking reception followed by a panel discussion. Discussion topics include:

- New and accelerating threats to space assets
- Distinct missions and collaboration between Space Force and Space Command
- Strengthening space domain awareness and operational response
- Building and sustaining a resilient, mission-ready workforce

Confirmed Speakers:

- **Brig. Gen. Casey Beard, USSF**, Deputy Commander, Space Operations Command
- **Thomas Lockhart**, Director, Capability and Resource Integration Directorate, Space Command
- **Col Marqus Randall, USSF**, Director of Intelligence, HQ Space Operations Command
- **Suzanne Wilson Heckenberg**, President, INSA (moderator)

Please note: this program is closed to the press and will be held under the Chatham House Rule.

Pre-event Career Fair!

Join INSA and ClearanceJobs for a job fair tailored to the cleared workforce! Taking place from 3:00-5:00 pm at Nooks, the event connects national security professionals with leading employers looking to fill critical roles. Don't miss out on this opportunity to build valuable relationships with some of the IC's top employers. [Register Here!](#)
